**1) A woman named “L” at twitter [@SomeBitchKnow](#) provided the following break-down:**

**a) Black Guns Shirt Guy** being interviewed by media (microphone is above his head) – Black Guns shirt is underneath a gray ‘Cale’ hoodie (in all other screen-shots, hoodie is gone). Blue bandana is over his face:

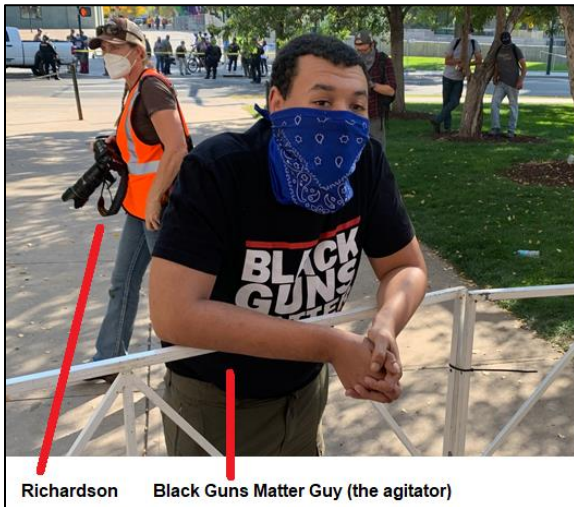

**b) Approximately 15 minutes later the person recording the video walks past Dolloff and Blue Shirt with Knee-Pads Guy (L refers to Blue shirt with Knee-pads guy as “the Producer”):**

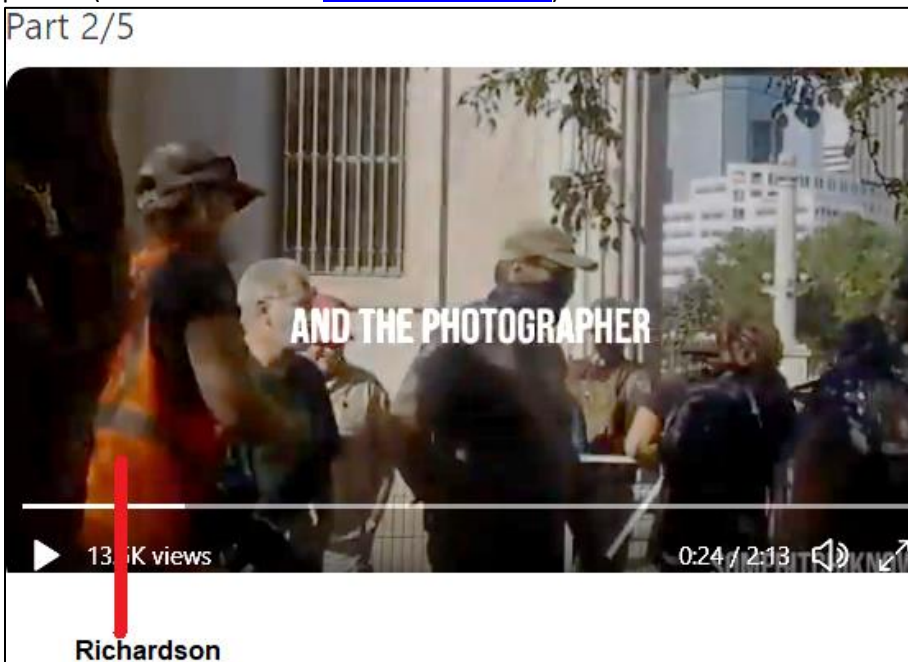

c) 9News-NBC/KUSA interviewing Muster Patriots:

2) This photo (from <https://twitter.com/PatriarchTree/status/1315142731002503168/photo/1>) appears to show both Helen Richardson (The Denver Post) and Black Guns Shirt Guy waiting for the Patriots to begin exiting the Muster:

3) As Patriots begin leaving the Muster, Richardson is walking with her camera towards Black Guns Shirt Guy to snap photos (screen-shots from [@SomeBitchIKnow](https://twitter.com/SomeBitchIKnow)):

**Black Guns Shirt Guy** attempts to agitate Patriots as **Richardson** snaps photos from his left:

5) The following screenshots are [from this video](#) taken by Kurgan Hill Productions. Dollof and Blue Shirt with Knee-Pads Guy are waiting against a concrete wall as Richardson appears in the street:

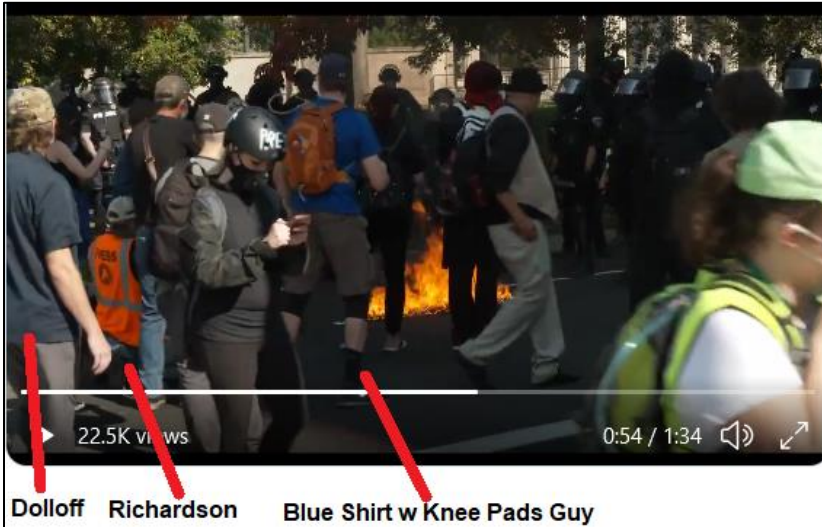

Dollof and Blue Shirt with Knee-Pads Guy begin to make their way to where Richardson is. **Note that Dollof does NOT appear to be acting as a security guard to anyone.**

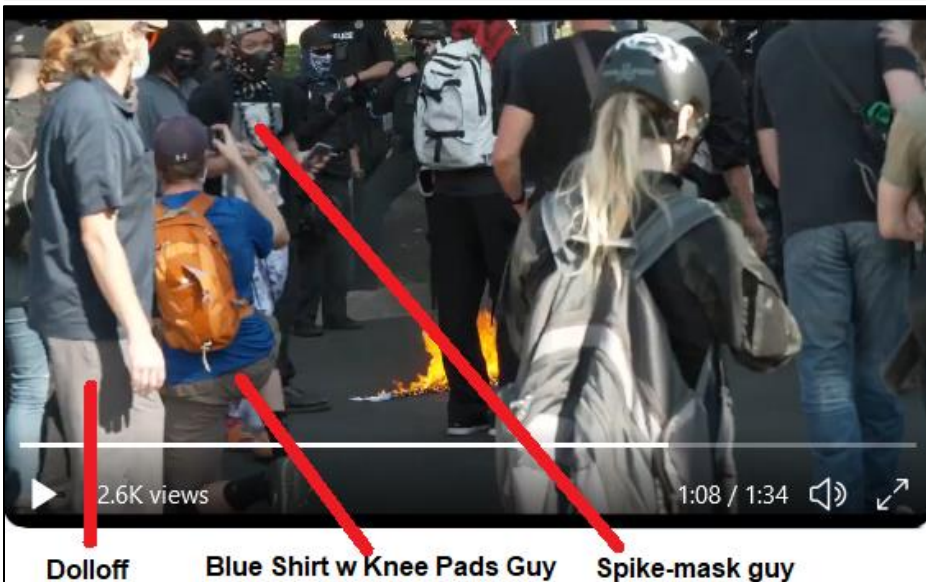

Dollof and Blue Shirt Guy enter the crowd in the street. **Note that Dollof still does NOT appear to be acting as a security guard to anyone.**

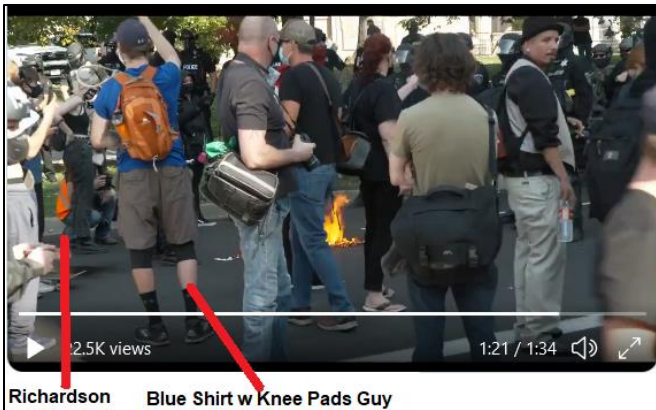

Note that Dolloff still does NOT appear to be acting as a security guard to anyone.

6) Spike Mask Guy enters the street and makes eye-contact with Dolloff. Dolloff nods his head "No" – view video

7) Richardson, Dolloff and Blue Shirt with Knee-Pads Guy make their way towards the site where the shooting will occur along the fence area. Richardson stops and looks back at which way her accomplices are headed and then she circles back towards their direction (screen shots from [@SomeBitchIKnow](#)):

8) **Black Guns Shirt Guy** appears in fence area to intercept **Lee Keltner**. **Black Guns Shirt Guy** tries to instigate fight with **Keltner** (pic 1). As they are arguing, **Richardson** shows up directly behind them (pic 2), making her way around them to where **Dollof** and **Blue Shirt with Knee-Pads Guy** are situated around 10 feet or so behind the skirmish.

9) Man in white pants breaks up fight. **Lee Keltner** then moves out of frame to the right and begins walking in the direction where **Dollof** and **Blue Shirt with Knee-Pads Guy** are waiting.

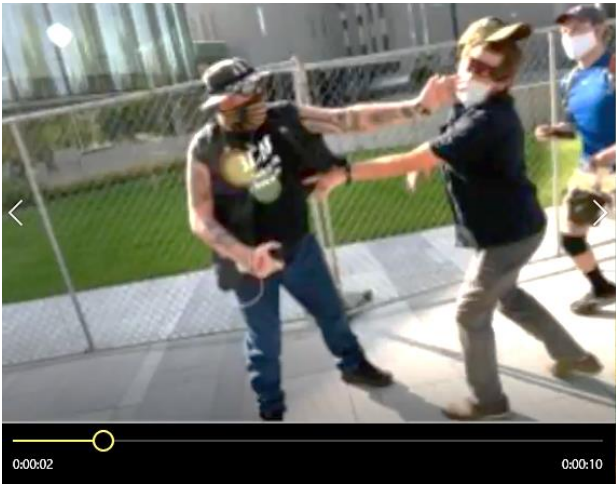

10) When Keltner walks away from **Black Guns Matter Guy** he ends up walking straight into the altercation that, **Dolloff** and **Blue Shirt with Knee-Pads Guy** are waiting to incite. **Richardson** is already snapping photos:

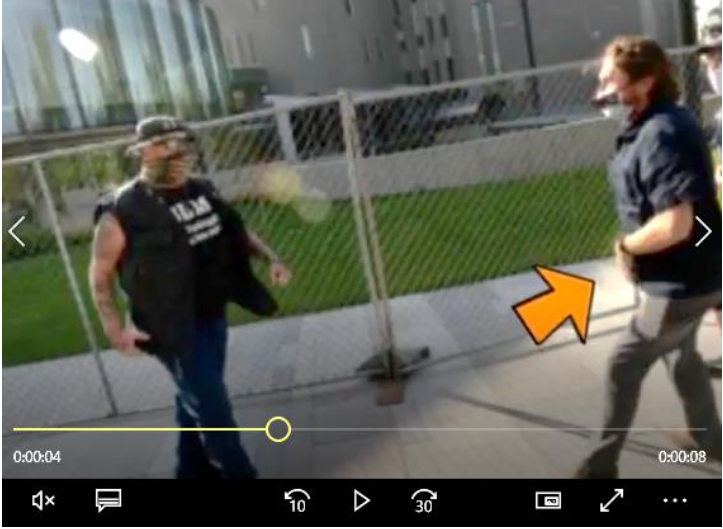

11) Keltner and Dolloff get into it. While they are scuffling Dolloff has his left hand on Keltner's chest and his right hand opening up the left side of Keltner's vest where Keltner has his pistol holstered. **Keltner never un-holsters his pistol and never reaches for his pistol in any video or photo that we have seen.** Instead, Keltner is holding a can of pepper spray in his right hand. (Screen shot from video at <https://twitter.com/skkboz/status/1315887360454742016>).

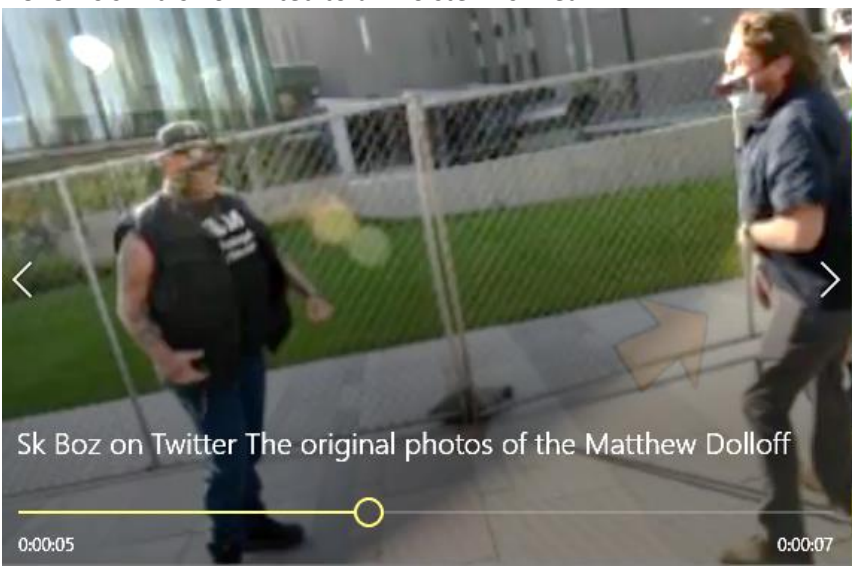

12) Kiltner slaps Dolloff - most likely because Dolloff was trying to get to his pistol. (Screen shot from video at <https://twitter.com/skkboz/status/1315887360454742016>).

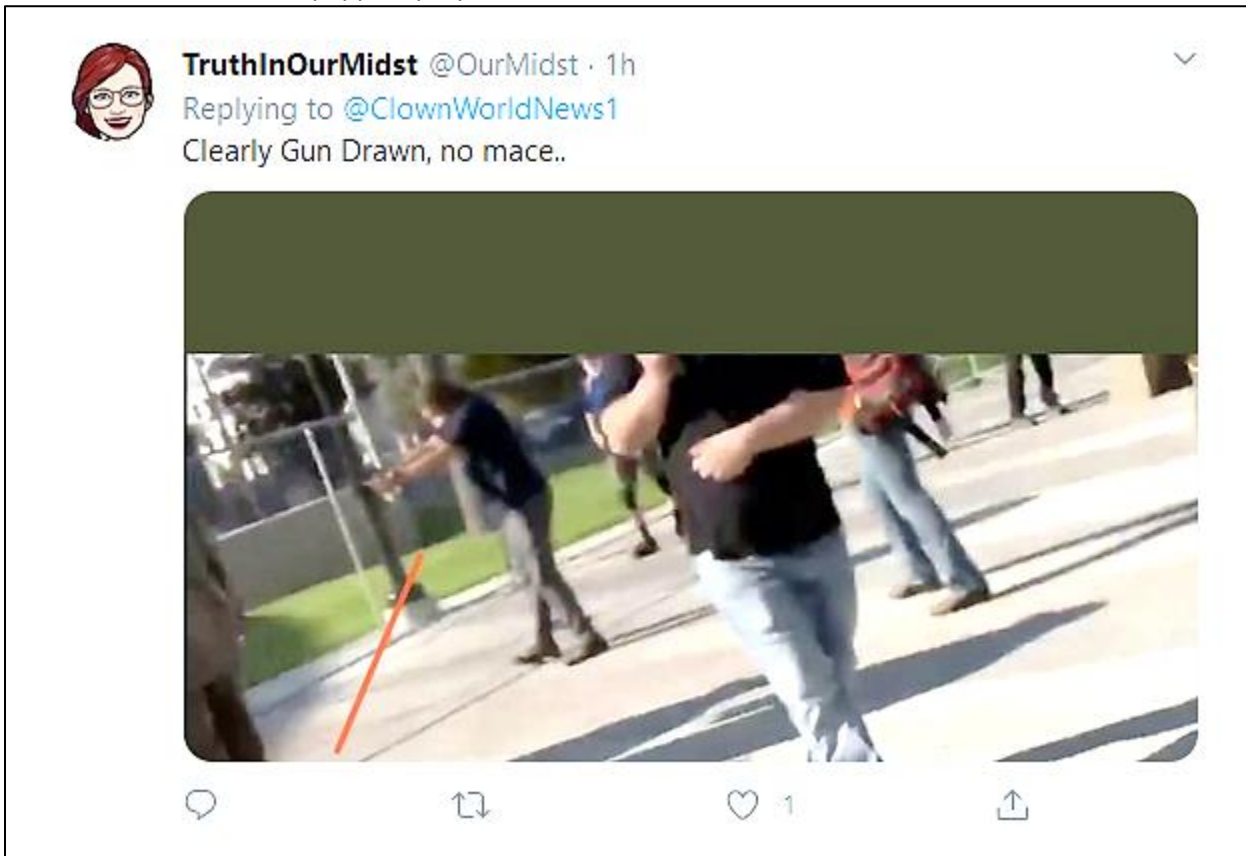

13) Keltner steps back, and backs off. Simultaneously, Dolloff begins lifting his shirt with his left hand to un-holster his gun with his right hand. (Screen shot from video at <https://twitter.com/skkboz/status/1315887360454742016>).

Dolloff's shirt is now lifted to un-holster his firearm.

14) Dolloff has his gun pulled and in a shooting position before Keltner can disperse his pepper spray. Note that there is not even a shadow of the pepper spray as can be seen in next screen shot.

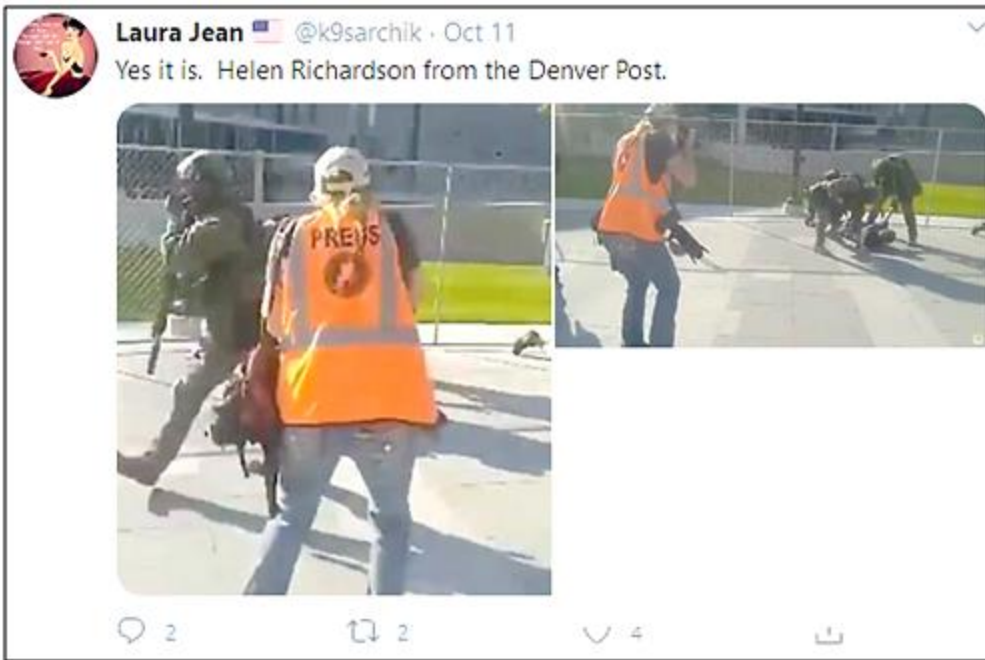

15) Keltner finally gets his spray dispersing:

But it's too late – **Dolloff** has already pulled the trigger:

Richardson never stops snapping photos.

16) Denver Police Dept begin medical emergency response and making arrests.
